Commissioner for Patents

This communication has been issued to correct the amendment made in NOA mailed on 6/4/09. The Examiner's Amendment issued 9/9/2009 called for data to be inserted into the first line of Claim 49. After further consideration, it has been determined that the language of claim 49 in the set of claims submitted by Applicant as filed were sufficient. To clarify the record, there is no need to insert data in claim 49 as originally mailed.
